Kingsley Soumak Rug

Hand-woven Soumak flatweave in deep navy, slate grey and warm ivory. The Kingsley Soumak Rug carries structured geometric motifs and sits low and flat, so it works easily under furniture and improves with age. A navy geometric Soumak rug suited to living rooms, libraries and dining rooms.

CARE

- Routine vacuuming is the most important step to extending the life of your rug
- Vacuum at least once a week using a canister vacuum on a low setting, and avoid beater bars, which damage the fibres over time
- For spills, blot immediately with a clean, undyed cloth; do not rub
