

RUGS · NATURAL FIBRE

Coastal Grain Jute Rug

Hand-woven jute and cotton blend. The Coastal Grain Jute Rug has a softened weave with subtle loft, so it feels comfortable underfoot without losing its structure, and is finished with a discreet backing for stability. A soft jute and cotton rug suited to living rooms, bedrooms and family rooms.

SPECIFICATIONS

10' × 14'	120″ × 168″	305 × 427 cm

Handwoven: slight variation in color, size and texture is expected.

CARE

- Routine vacuuming with a canister vacuum on a low setting is recommended
- Avoid beater bars, which may disturb the natural jute fibers and softened weave
- Blot spills immediately with a clean, undyed cloth
