

OCCASIONAL TABLES · SOLID MAHOGANY

The Radcliffe Mahogany Drum Table

Crafted in solid mahogany, the Radcliffe Mahogany Drum Table is defined by its circular top, architectural drum form, and open vertical bays that lend lightness to its sculptural silhouette. The deep mahogany finish highlights the natural grain while the grounded plinth base provides quiet stability. Designed as a refined accent beside a sofa or armchair, it brings warmth, balance, and enduring craftsmanship to living rooms, libraries, and sitting areas.
