| 10' x 14' | 120" x 168" | 305 x 427 cm |

*Handwoven: slight variation in color, size and texture is expected.*

## CARE

- Routine vacuuming is the most important step to extending the life of your rug
- We recommend vacuuming at least once a week using a canister vacuum on a low setting
- Avoid using beater bars, which can damage the fibers over time
- For spills, blot immediately with a clean, undyed cloth; do not rub

*Specifications as published at reevasethi.com, October 2026. Please confirm details for your project before ordering.*
